

VILLA MERIDIANA

A traditional 17th century Symian home in the Chorio (upper town), now restored to twentieth century standards. The accommodation is divided into three self-contained apartments, each with a separate entrance through a walled pebbled mosaic courtyard.

Apartment No 3

From the pebbled courtyard a very old stone steep stairway leads up to the terrace of the apartment.

Here is the entrance to the top apartment, which has an open plan living area with kitchenette and includes a single bed. The room is given character by a tiled floor and traditional pine ceiling.

Two steps lead to the sleeping area, where there is a master double bed and en-suite tiled WC with shower and wash basin.

From the terrace there is a panoramic view of PEDI valley and bay.

This apartment is suitable for 2-3 persons.
