

## VILLA METAPONTIS

A stone house suitable for 2/3/4 persons.

Situated in Chorio (upper town) on the way to the Museum, and close to the villa Meridiana.

Walking distance to "Pedi" is twenty minutes.

A traditional Symiot style villa with moussandras.

There is a large sitting/dining room. Two big windows looking onto the lane where the entrance of the house is and a smaller one looking down to Pedi, help to make this room airy.

At the side of the room there is a patio with views to the hills.

There is a moussandra in this room suitable for a couple. There is a small window with a view to Pedi.

This house has a kitchen.

Bathroom W.C. shower and wash basin.

Above the kitchen there is another moussandra where a single person can sleep.
